

# Regional Broadband Initiatives Forum

March 15, 2010

2:00 PM

Enfield Community Building  
308 US Route 4, Enfield

Co-Sponsored by

WCNH.net

Upper Valley-Lake Sunapee Regional Planning Commission  
Southwest Regional Planning Commission

We invite you to attend this public forum that will include a presentation and discussion of the various broadband activities that affect the towns, citizens and businesses of the Upper Valley-Lake Sunapee and Southwest regions, as well as the entire State of New Hampshire. Some of these activities include the New Hampshire Broadband Mapping Program, the 2<sup>nd</sup> round of Broadband grant applications and the Google "Fiber to the Home" Request for Information.

Who should attend:

- Town officials (selectmen, managers/administrators, planners)
- School officials (board members, superintendents, business administrators)
- Chambers of Commerce Members
- Community Business and Civic Leaders
- Economic Development Councils/Industrial Development Authorities
- Interested Citizens
