CONSERVATION COMMISSION

Minutes of the meeting of March 9, 2008

Note: These minutes are to be considered draft minutes only until approved by the Commission.

The meeting of the Community Outreach Committee of the Conservation Commission was called to order at 10:00 am by Todd Richardson.

Members present were: Cynthia Bruss, Todd Richardson, Daphne Klein, John Trachy

The purpose of this special meeting of the outreach committee was to finalize plans for the presentation to the public of the Wetlands/Natural Resource Inventory report on March 17th. John and Elise from Watershed to Wildlife, Inc. will arrive at 2:00 pm on the 17th to install the software on the computer in the meeting room at the town office. At 4:00 pm they will demonstrate the software to anyone who is interested. At 7:00 pm there will be a presentation to the public at the Town Hall.

John presented a draft copy of a poster he had designed to advertise the evening presentation. The group approved the design and voted unanimously to have it blown up to poster size, so that it can be displayed at town meeting.

John reported that notices have been posted at the post office and town office; an ad has been submitted to the *Shopper*; and a press release was sent to the *Argus Champion*, *Valley News*, and *InterTown Record*. A notice was also sent to members of the Select Board, the Planning Board, and the ZBA.

The group then discussed logistics of the public meeting and what should be included in the introduction to the meeting.

The meeting was adjourned at 11:20 am.

Respectfully Submitted,

Daphne Klein
