

Springfield Planning Board
Meeting notes for Public Hearing
January 6, 2011

As Deb McGlew was not in attendance and Peter Keene was also not in attendance, these notes were compiled after the meeting was held.

Present: Kevin Lee, chair; Darrin Patten; Mike Howard; Neal Huntoon; Ken Jaques; Vicki Davis, Upper Valley Regional Planning Commission.

Meeting started about 7:05 pm

The board discussed the amendments to the Zoning ordinance in order. There was discussion of whether amendment #1 needed revision. It was determined that there was a typographical error that did not change the substance of the amendment.

Public comment was welcomed on all the amendments.

It was decided that amendment 5 would be dropped from the warrant as it was unneeded.

The meeting was adjourned.
